The test results are exclusively related to the items tested for this sample. Method and measurement uncertainty details are available upon request. This report is allowed to be copied completely and unchanged but not in extracts. Test period: order date till date of this report.

Microbiological analysis (50230)

Bacillus cereus, § 64 LFGB, Microbiology

Test	(Method)	Result
------	----------	--------

Bacillus cereus/g		: 150
-------------------	--	-------

Comment to the result: < 10 = tested microorganism not detectable in a dilution of the sample 1:10,
< 100 in a dilution 1:100 and so on.

Regarding the above determined parameters there are in our opinion no doubts about the commercial suitability of this product.
